SUMMARY

I am a reliable and dedicated individual who would like to refine and improve my current skills as well as be introduced to new concepts and current cybersecurity and software practices. I have had a keen interest in current and future cybersecurity practices and am a member of my university's Cyber club. I am looking for ways to gain new knowledge and implement my current knowledge in a real world environment.

TECHNICAL SKILLS

GitHub, Heroku, Docker, Ruby on Rails, C#, Java, Unix/Linux, C, HTML, CSS, JavaScript, CI/CD Pipeline, MS Word, MS Excel
